

Project Name:
Sissimuka Non Timber
Forest Products

World Vision

Justification:

1. Lack knowledge in the communities regarding to the market Value of NTFP
2. Use of NTFP without a Management Plan
3. High Exploitation of NTFP from intermediary people (for Fair Trade)

Goal:
Increase the income generation of rural communities through the marketing of NTFP to achieve a sustainable management

METHODOLOGY

World Vision

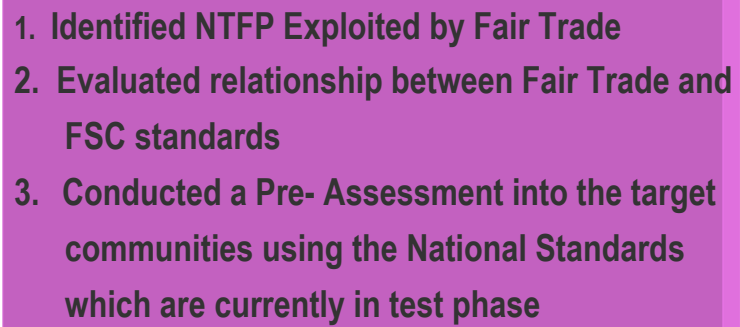

1. Formal & Informal Interviews (Communities, Government, NGO's, etc)
2. Direct Observations
3. Pre- Assessment

OUTCOMES

World Vision

- 
- 1. Identified NTFP Exploited by Fair Trade**
 - 2. Evaluated relationship between Fair Trade and FSC standards**
 - 3. Conducted a Pre- Assessment into the target communities using the National Standards which are currently in test phase**
