

FIELD TEST OF VIETNAM'S DRAFT FSC STANDARDS IN A STATE FOREST ENTERPRISE TO ASSIST NWG IN FINALIZE STANDARDS.

Pilot Project
International training programme on Forest Certification
Garpenberg, Sweden, May 2004.

Pham Ngan Hoa, Vietnam

A. Justification of Pilot project

- ✿ Speed up the finalization of National P&C&I.

B. Objectives of Pilot project

- ✿ Overall assessment of management and operation activities of the forest enterprise and its capability to achieve Forest certification.
- ✿ Identify gaps in meeting the requirements of Forest Certification.
- ✿ Identify initial solutions to fill these gaps.

C. Approach

- ✿ Conduct field trip to one (or more) forest enterprise(s).
- ✿ Review relevant documents
- ✿ Discussion
- ✿ Analyze findings to find out initial solutions.

D. Expected outcome

- ✿ Some recommendations to National working group to help finalizing the Draft P&C&I.
